DOVES release the beautiful 'Cathedrals Of The Mind'

Calling on higher powers, and receiving gifts in turn, Doves appear to bring heaven to earth with the release of their latest, luminescent track, Cathedrals Of The Mind, lifted from their forthcoming, fifth album, The Universal Want, released on EMI on Fri 11 September 2020. Filling and breaking hearts, the achingly vulnerable voice of singer, Jimi Goodwin meets the valley-deep atmospheric cultivated by band mates, Andy and Jez Williams, sweeping with delicate grace in breathtaking murmurations.
