DOVES RELEASE NEW ALBUM TRACK, BUT NOT HOW YOU WOULD EXPECT

Just a couple of weeks before the release of Doves' fifth album, *The Universal Want*, the Manchester band have shared the album's closing track, but it's up to the fans to work out how it sounds. The sheet music and lyrics for 'Forest House' has been leaked, so to speak, by the band – so if you want to hear it, you have to play it.

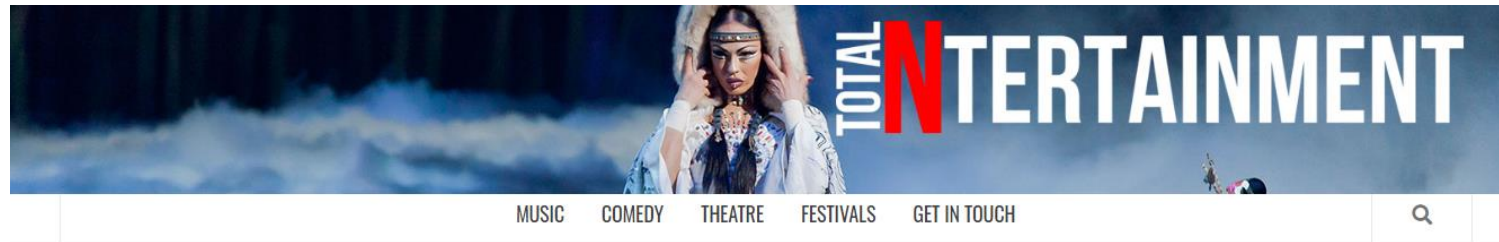

The chords and lyrics for the track were released, with Doves calling out to musicians of all capabilities, playing any instrument, to interpret the, as yet, unreleased track. You can access the sheet music by visiting <https://Doves.Ink.to/ForestHouseSheetSo>

Giving away no clues, the band authorised the #dovesleak to tempt musicians, whether existing fans or not, to try and get close to what lies in store on the album or create something wildly and brilliantly off the mark. Not until the release of *The Universal Want* on 11th September will experimenting
